

Kompact Carryall System

The Kompact Range offers all the features of its big brothers the "Match" and "Jumbo" luggage systems but on a smaller scale. The Kompact Carryall System comprises of a carryall with a zipped main storage compartment that will house the Kompact pole roller/ accessory bag plus the Kompact insulated cool bag. It has 2 outer zipped storage compartments on each side ideal for side trays etc plus a useful strong mesh storage pocket at either end of the carryall.

46451 200	Carryall System	50 x 40 x 42cm
46451 201	Carryall	50 x 40 x 42cm
46451 202	Pole Roller/Acc Bag	48 x 19 x 19cm
46451 203	Insulated Cool Bag	48 x 19 x 19cm

Match Carryall System

Stylish custom built Carryall complete with versatile storage systems that can be adapted to suit most angler's needs.

The main zip topped storage compartment has space to accommodate the removable Pole Roller/Accessory Bag and Large Insulated Cool Bag. Either bag can be substituted for 3 quality square Zip Top Bait Bags ideal for Pellets and Ground Baits etc.

The two end pockets house a Catapult Bag and Rig Bag (Complete with hard plastic Storage Box). The large zipped outer compartment has ample storage space for side trays etc plus an open top Double Keep Net compartment on the opposite side.

46451 100	Carryall System	80 x 42 x 45cm
