

## Round Bait Bowls and Zip Top Buckets

The new Prestige range of Round Bait Buckets has been made to the same high standard as the Prestige luggage using the same material and zips. It also has an additional inner waterproof material for added protection against the elements to ensure your bait is kept dry or mixed ground bait retains moisture.

The bucket comprises of a tough outer material layer combined with a waterproof inner membrane and a heavy duty rubberized membrane base. They are fitted with carry handles and are fully collapsible for ease of transportation and a rigid top ring to retain its shape when in use.

Finished with high quality zips and 650DD hard wearing material.
